A fast and exciting video game! It's as if Luftrausers merged with The Fairly OddParents, plus a responsive control and music according to the "pick and play" experience.. A fast and exciting video game! It's as if Luftrausers merged with The Fairly OddParents, plus a responsive control and music according to the "pick and play" experience.. This videogame makes me angry-happy, arcade hardcore and fast paced gameplay about cupcakes. Kind of good n' old endurance arcade game. Remember Ren and Stimpy? A lot of humor in the art style inspired in this iconic 90's dark comedy cartoon. Cupcakes against ugly flies, makes sense to me, I don't like flies either..
